

HLAA Kentucky Home Chapter Monthly Meeting

November is a time to be especially thankful as we celebrate Thanksgiving. Here in the USA we are still free to say and do many many things that those in some other countries aren't able to do.

Our Hearing Loss Association of America Kentucky Home Chapter's meeting this month, November 27th, will embrace this freedom as we come together to discuss problems, successes and experiences in living with hearing loss of some degree. This "forum" is a great time to meet others, find out how they cope, and also just plain visit with those who understand.

If you or a loved one is experiencing hearing loss, make it a point to come to our November monthly meeting. It starts at 6:30 p.m. and is held in the Nelson County Library.

HLAA Kentucky Home Chapter meets at 6:30 p.m. on the fourth Monday of most months at the Nelson Co. Public Library, 201 Cathedral Manor, Bardstown, KY 40004. (Large Meeting Room at the south end of the building. The main entrance will be closed.) Meetings are free, and open to the public.

For further information email us at:
