

Resources to Assist With Your Hearing Loss

Our mission: The Hearing Loss Association of America (HLAA) opens the world of communication to people with hearing loss through information, education, support and advocacy. Our local chapter and members are the best resources for help with living better with hearing loss. More information about resources and informative presentations at our meetings are found at:

Become part of the nation's largest consumer advocacy group for people with hearing loss.

The second Kentucky Walk4Hearing will be held on October 13, 2018 in Louisville. The Hearing Loss Association of America Walk4Hearing increases public awareness about hearing loss, eradicates the stigma associated with it and raises funds for national and local programs.

Be the difference, Step up for Hearing Loss and Communication Access Today!
